

You need to create a poster illustrating the causes and effects of desertification. It should be done on the paper provided (A3 size). You will be required to draw it, not copy and paste pictures from the internet.

In addition, you will need to write a 5-paragraph essay. Please use the following format for your paper. Each of these represent a paragraph.

Introductory Paragraph

Causes of Desertification

Effects of Desertification

Solutions for Desertification

Conclusion

For the poster, it is mostly pictures. You may have a title and some headings, but no narrative. For the paper, no pictures. You need to use at least 2 other sources. They should be listed as a bibliography on a separate sheet of paper.

You will have time in class to work on it.
However, it is due at the end of the day on
Friday, Oct. 1.
