

## ★ Guided Reading Activity 4-3

**DIRECTIONS: Identifying Supporting Details** Read each main idea. Use your textbook to supply the details that support or explain each main idea.

★ **Main Idea:** Thomas Jefferson, believing that Washington and Adams had acted too much like royalty, tried to create a less formal style for the presidency.

- Detail:** Instead of overturning all of the \_\_\_\_\_ policies, Jefferson sought to integrate them with his own Republican ideas.
- Detail:** A strong believer in \_\_\_\_\_, Jefferson hoped to limit the scope of federal power.

★ **Main Idea:** The Supreme Court's power was strengthened during Jefferson's administration.

- Detail:** One of the first acts of Congress after Jefferson took office was to repeal the \_\_\_\_\_, thereby doing away with President Adams's new judges.
- Detail:** The impeachment of Justice Chase established that judges could only be removed for \_\_\_\_\_, not simply because Congress disagreed with their decisions.
- Detail:** The \_\_\_\_\_ decision strengthened the Supreme Court because it asserted the Court's right of judicial review.

★ **Main Idea:** Jefferson believed that a republic could survive only if most of the people owned their own land. This belief led him to support the idea of expanding the country farther west.

- Detail:** In 1803, Napoleon offered to sell all of the \_\_\_\_\_ to the United States.
- Detail:** In 1806, Zebulon Pike gave Americans their first detailed description of \_\_\_\_\_ as well as \_\_\_\_\_.
- Detail:** The \_\_\_\_\_ not only increased American knowledge of the Louisiana Territory, it also gave the United States a claim to the Oregon Territory.

★ **Main Idea:** During his second term in office, the president was concerned with keeping the United States out of the war between Britain and France.

- Detail:** British regulations known as the \_\_\_\_\_ declared that all ships going to Europe needed British licenses and would be searched for contraband.
- Detail:** The British practice of stopping American ships to seize sailors was known as \_\_\_\_\_.
- Detail:** Following an attack which left three Americans dead, Congress passed the \_\_\_\_\_, which halted all trade between the United States and Europe.
